

# Adley's Eats

Our family has lived in this province for generations. Like everybody else, we've changed over the years. We don't have as much time as we used to but we still want food "like Nan made". That's what Adley's is all about – to provide you and your family with quality home-cooked meals at a reasonable price.

Adley's Eats is located in the east end of St. John's. We offer three entrees everyday as well as a hot side, cold sides, soup, and a delicious dessert! Everything is available for pick-up or eat-in. We are currently open 3PM-7:30PM Mon.-Sat.

If you have any questions about the menu or want to pre-order your meal give us a call at 747-5888 or drop in and visit us!
